TWENTY CAR LOADS.

A feature during this third week of our Special March Sale will be two car loads of Fancy Chairs and Rockers, which by reason of delay only arrived yesterday, and will be placed on sale tomorrow.

A large number of pieces which, through lack of space on the floor devoted to this purpose, we were unable to offer before, will be shown this week.

Do not forget that we had twenty car-loads of newly manufactured furniture purchased at fifty cents on the dollar, together with a large quantity selected from our regular stock, all of which must be disposed of during this month. We are aware that a price is the only power which will move such a quantity of goods in so short a time, and have marked them in plain figures accordingly.

It is gratifying to know that visitors to this sale are not disappointed in prices or goods, but find everything as they expected and as advertised.

Absolutely one price.

JULY 1st

The subscription price to the LADIES' HOME JOURNAL will be doubled. It will be better and larger. We shall double its value and give you more of it for your money. You may have the APRIL, MAY and JUNE numbers for the merely nominal sum of TEN CENTS, and if you like them, a yearly subscription can be had for half what it will cost after July 1st.

NEWPORT. Showing life there in the gay season — the beach, dinners, balls, musical parties, polo, life on the yachts, beautiful villas, &c.

Another feature will be STATE BANQUETS.—Presidential occasions of a century. Illustrations showing pieces of every state dinner set from *Washington to Harrison*, also the conservatory—a state dinner, &c.

AMATEUR PHOTOGRAPHY.—Profusely illustrated, is another practical subject advertised in May and June numbers.

HOW TO GO ABROAD with the least trouble and expense. Explains just what is necessary to take with you for use on ship board, and on the Continent, and what *not* to take. Money matters in detail. Valuable advice on custom inspection, care of baggage, fees, tells how to avoid a thousand and one mistakes and inconveniences suffered by inexperienced travellers.

These special numbers contain Kate Douglas Wiggin's story, "THE BIRDS' ENTERTAINERS," "JIMIAH'S OBITUARY," by Jerome K. Jerome, "MELISSENT'S AMBITION," a story of social ambition by Mrs. Burt L. Stanton, "WEDDING BREAKFASTS," by Mrs. E. Porter, "HOME UNDER MARCHES," a complete fashion department, "AT TWITTY HEDGLEWORK," "FLOWERS AND HOUSE PLANTS," by Elbert G. Hamblen, "TALKS WITH HUSBANDS," by Clarence Cook.
